OUR YEAR AT A GLANCE

In our 2022-2023 reporting year, the CAG network delivered some impressive achievements! We are proud to share the impact of the network and grateful to all those who showed up for their communities last year.

The network clocked in over **97,650** volunteer hours which has a value of **£1,572,995** and equivalent to **50** full time jobs!

More than **80,000** people participated in over **4,000** events, activities and outreach programmes! That's enough people to fill **five and a half** football pitches!

These activities resulted in approximately **198 TONNES** of food diverted from waste, preventing nearly **500 TONNES** of carbon dioxide emissions.

Throughout the year, groups planted over **6,000** trees and hedgerow plants.

21 groups ran **172 REPAIR CAFE** events enabling members of the public to 'fix not bin' broken household items, from electrical appliances and bicycles to clothes. We also launched **THREE** new Libraries of Things!

CURRENT OXFORD CITY CAG MEMBERS:

There are **34** active CAG members based in Oxford City, representing just over a third of the whole network:
