### OPPORTUNITIES IN SOUTH OXFORDSHIRE

Fostering a localised district 'sub-'network for greater collaboration

Increased collaboration between local town councils to maximise resources available to support local groups

Potential for greater engagement with schools and young people

Increased collaboration on environmental intersection with social justice issues eg. fuel poverty, community cohesion, mental health and social isolation.

### WHO IS COMMUNITY ACTION GROUPS OXFORDSHIRE?

CAG Oxfordshire is a network of more than 100 community action groups working across Oxfordshire to make it a safer, fairer, greener, more sustainable place to live, work and visit. We support our members to set up and run activities that take action on issues impacting the environment, our communities, and our everyday lives. The CAG network delivers a number of projects and initiatives

# OUR YEAR AT A GLANCE

From April 2024 to March 2025, the CAG network delivered some impressive achievements! We are proud to share the impact of the network and grateful to all those who showed up for their communities last year.

There are now **117 groups** in the Network working on a huge range of activities with most groups covering more than one activity area.

More than **120,000** people participated in over **8000** events, activities and projects! That's the size of a packed crowd at Glastonbury's Pyramid Stage!

Over **100,000 volunteering hours** were recorded, demonstrating the continued dedication of residents to contribute their time and energy to community action within Oxfordshire.

30 groups organised a total of **350 REPAIR CAFE** events, allowing the public to "fix not bin" their broken household items. This is twice the number of events since 2021, highlighting the growing popularity of these gatherings and the shift towards repair culture.

These activities resulted in approximately **380 TONNES** of food diverted from the waste stream, equivalent to 190 adult male African elephants! This prevented **nearly 950 TONNES** of carbon dioxide emissions.

*This data was collected from 65 groups in our network of 117 groups from April 2024 to March 2025*

## CURRENT SOUTH OXFORDSHIRE CAG MEMBERS:

There are **20 active CAG members** based in South Oxfordshire, representing approximately **16.5%** of the whole network:

### 21st Century Thame

Established in 2003, the group was motivated by a passion to ensure that Thame prospered as a social, cultural and economic centre.

Activity example: For Great Big Green Week 2023, 21st Century Thame raised awareness of hedgehog care in South Oxfordshire

### Cholsey Environment Champions

This group aims to raise awareness of climate change; encourage and enable residents to make a positive difference to our environment; and to increase sustainability through community action and community-led projects.

### Chalgrove Wildlife and Conservation Group

to plant more trees and flowers, making Chalgrove a prettier place to live, and to protect our flora and fauna.

### Chiltern Hills Community Energy

CHCE was established by Henley Town Council's Climate Emergency 2030 Working Group as part of its initiatives to address the Council's declaration of a climate emergency.

### Didcot Allotment Society

Our aim is to encourage Didcot residents to use the allotments and discover the many benefits that come with the ownership of your own piece of land to dig in and grow your own!

### Eco Soco
